

Expertise in environmentally friendly practices since 1999

Company Profile

**QUANTUM GREEN ENVIRONMENTAL
TECHNICAL SERVICES LLC**

ABOUT US

Quantum Green Environmental is thrilled to announce the launch of its technical services division, geared towards serving public and private sector organizations. This expansion enables us to provide a comprehensive range of high-quality, reliable, and trusted services, covering everything from Design and Engineering to Project Management. This includes expertise in HVAC, plumbing, electrical, electro-mechanical systems, solar energy, and environmentally-friendly practices.

QUANTUM GREEN ENVIRONMENTAL TECHNICAL SERVICES LLC IS COMMITTED TO DELIVERING TOP-NOTCH ELECTRO MECHANICAL SERVICES IN COMPLIANCE WITH LOCAL REGULATORY REQUIREMENTS AND INTERNATIONAL STANDARDS. THE OBJECTIVE IS TO ENHANCE THE PERFORMANCE AND LIFE EXPECTANCY OF MEP SYSTEMS/SERVICES THROUGH CUTTING-EDGE TECHNIQUES AND TECHNOLOGIES.

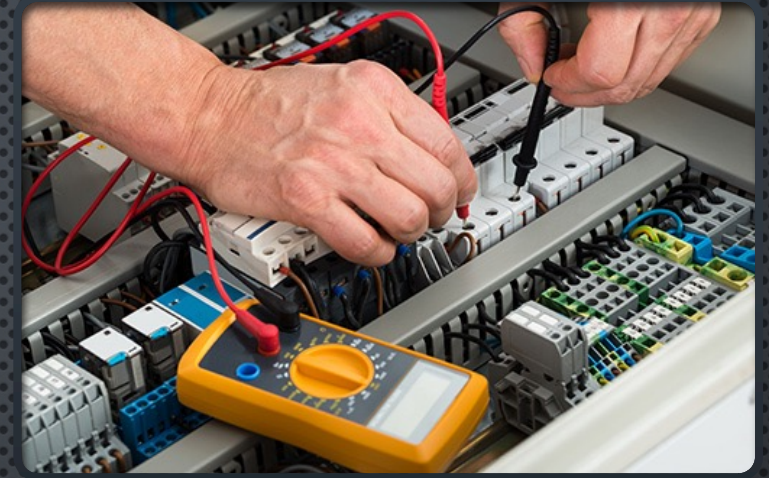

As a part of our commitment to quality, Quantum Green Environmental Technical Services operates within the framework of an ISO 9001:2015 certified organization. We pledge to deliver exceptional services, prioritizing customer satisfaction and offering innovative solutions.

Our vision and mission are centered on becoming the leading Engineering and Project Management Company in the UAE, with plans to extend our services to other gulf regions and global communities as demand arises.

Our vision and mission are centered on becoming the leading Engineering and Project Management Company in the UAE, with plans to extend our services to other gulf regions and global communities as demand arises.

Committed to total customer care and delivering excellence in service, our core values encompass Quality, Integrity, Reliability, Sustainability, Trustworthiness, Respect, Teamwork, Safety, and Customer Satisfaction.
